

**MBio Diagnostics, Inc. Announces CEO, Chris Myatt to present at Biotech Showcase**

Boulder, CO, January 10, 2012 – MBio Diagnostics, Inc. announced that its CEO, Christopher Myatt, Ph.D., will present at the BioTech Showcase 2012 in San Francisco on January 11<sup>th</sup> at 9:00 a.m PST at San Francisco's Parc 55 Wyndham hotel. Dr. Myatt will present an overview on the Company including its accomplishments in 2011 and its focus for 2012 and the future.

**About MBio:**

MBio Diagnostics, Inc. ([www.mbiodx.com](http://www.mbiodx.com)) is a privately held clinical diagnostics and life sciences technology company based in Boulder, CO. MBio is developing a suite of simple, multiplexed diagnostic tests using its proprietary LightDeck<sup>TM</sup> technology. Initial product development focuses on high impact infectious diseases, including HIV, hepatitis, and influenza. The company's product development is aimed at decentralized testing, from the clinic to the home.
